welcome
Welcome to third grade! What an amazing journey we get to embark on together! You will not believe how much your child will grow this year. We have so much planned, and I can't wait to get to know you and your family.

a little about me
This year marks my 13th year in education. I have taught third, fourth, and fifth grade. I also spent six years as an elementary assistant principal. I have loved each part of my journey, but my heart is truly in the classroom!

I met my husband, Brad, at Stephen F. Austin State University in 1997. We married in 2000. I finished my undergraduate work at the University of North Texas and earned my master's degree in educational leadership at Texas Woman's University. I have two children. We love to hang out with friends and family, travel, and watch the Texas Rangers and Nebraska Cornhuskers!!

STAFF SHOUT OUTS

How it works:

- 1) Think of a staff member who has been doing a fabulous job lately or someone who has helped you out.
- 2) Grab a sticky note and write down a compliment.
- 3) Post it on our wonderful "Shout out" board.
- 4) Smile about making somebody's day!!

OUR CLASS IS TREEMENDOUS!
